Illinois Open Educational Resources (IOER)
## ioer.ilsharedlearning.org
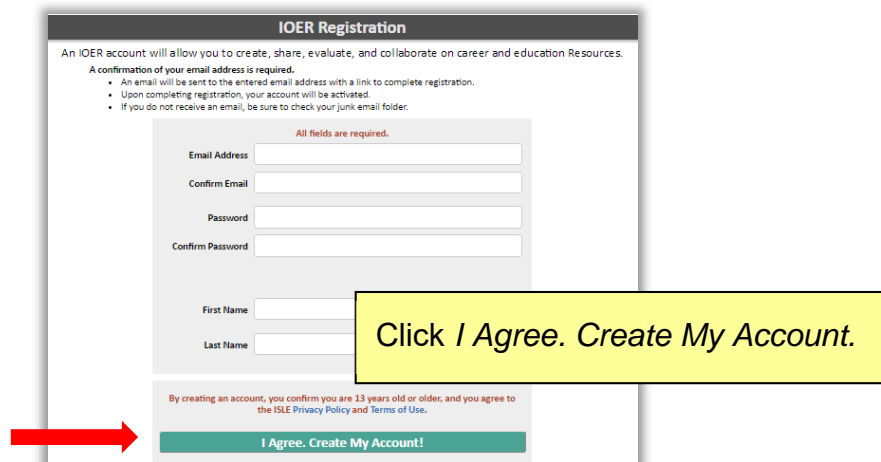

Set up an Illinois Open Educational Resources (IOER) Account

1. Select Login/Register

2. Click *Register*.

3. Complete the registration form.

Click *I Agree. Create My Account.*

4. Check your email for confirmation and activation. You must **click** the activation link in your email to set up your account.

Your Account Is Almost Ready

A confirmation of your email address is required

- An email was sent to your email address with a link to complete registration.
- Upon completing registration your account will be activated.
- If you do not receive an email, be sure to check your junk mail folder.

Libraries

- Upon activation of your account, your personal library will be created, along with the starting default collection. For information on libraries, see the getting Started with IOER guide.
- You can search for existing libraries, or you want to view one of the STEM libraries, such as the Health Sciences library.

Next Steps

- Get Started with IOER
- IOER Home

You can now start at the Home screen, view a user guide, or begin searching libraries.
