

The 'Video Game Wars' have begun! The stores are competing for your business and are having sales. Review the sale prices for a game that costs \$55 and answer the following questions.

Store A

Buy 2 get
one free

Store B

Buy 2, get
one 50% off

Store C

2 for the
price of
one

Store D

Buy one,
get one 25%
off

1. Which store offers the best deal?

Justify your answer.

2. Which store offers the worst deal?

Justify your answer.
